Sample Script for GoAnimate

A student checks out a book at the library and wants to know how long she can keep it until it is due.

Scene 1: Librarian is behind checkout desk. Student is checking out a book.

Librarian: Oh, Susie. I didn't know you liked reading about robots.

Scene 2:

Susie: Actually, I've never read a book about robots before . . .

Scene 3:

Susie: but I saw a show on cable and now I want to know more.

Scene 4:

Librarian: Fabulous! The library is a great place to discover new things!

Scene 5:

Susie: But what if I don't have enough time to finish reading it before it is due back; it sure is a large book!

Scene 6:

Librarian: Don't worry. Books are checked out for 3 weeks and if you still need more time . . .

Scene 7:

Librarian: I can renew it for another 2 weeks.

Scene 8:

Susie: Hey! I just discovered something new!

Sample Script for ToonDoo

A student checks out a book at the library and wants to know how long she can keep it until it is due.

Panel 1: (rectangle single) Librarian is behind checkout desk. Student is checking out a book.

Librarian: Oh, Susie. I didn't know you liked reading about robots.

Panel 2: (rectangle double)

Susie: Actually, I've never read a book about robots before . . .

Susie: but I saw a show on cable and now I want to know more.

Panel 3: (square single—close up on librarian)

Librarian: Fabulous! The library is a great place to discover new things!

Panel 4: (rectangle single)

Susie: But what if I don't have enough time to finish reading it before it is due back; it sure is a large book!

Panel 5: (rectangle single)

Librarian: Don't worry. Books are checked out for 3 weeks and if you still need more time, I can renew it for another 2 weeks.

Panel 6: (square single—close up on Susie)

Susie: Hey! I just discovered something new!
