

Membership Information

Last Updated Friday, 05 June 2015

Membership year:

Memberships expire one year from the date you join MSLA. You will receive an email confirmation when you complete your registration, and another email message will be automatically generated and sent when it is time to renew one year later. The Organization:

The Massachusetts School Library Association is dedicated to the improvement of teaching and learning through the integration of school library programs, resources and technologies into the total educational process. With its diverse membership, MSLA advocates for, promotes and strengthens school library services to students and teachers across Massachusetts. Over 700 members from public, independent and parochial schools belong to this professional organization, comprised of practicing school librarians, retirees, library support staff, and graduate students preparing to enter the profession.

Membership Benefits:

A wealth of resources on the MSLA website: <http://www.maschoollibraries.org> E-mail updates on professional topics; job postings and information sharing through the MSLA members listserv Online access to the MSLA Forum, MSLA's newsletter Online membership directory Opportunity to serve on an MSLA committee or task force Intellectual freedom assistance Legislative and advocacy information and support Area meetings and peer support A variety of professional development opportunities Discounted membership to the New England School Library Association Area Directors who are your representatives and liaisons to the MSLA Executive Board Awards MSLA recognizes outstanding achievement in the field of school libraries through many awards for library students, practicing librarians, and administrators. Check <http://www.maschoollibraries.org> for more information and application forms. Bookmark Contest MSLA sponsors an annual bookmark contest for students who create designs that portray a theme highlighting the value of school libraries. Bookmark designs are judged by local authors and illustrators. Winners are recognized at a ceremony at the Massachusetts State House on Library Legislative Day. Library Legislative Day Librarians from across the state meet with state legislators to advocate for equitable access for all students in the Commonwealth to school library programs that maximize student learning. Working Smarter Members share best practices at the annual conference Trading Post and in a regular column in the MSLA Forum. [Click here to join MSLA](#)
